### **Covid-19 guidelines**

COVID-19 restrictions no longer apply in Denmark, and COVID-19 is no longer considered a critical threat to Danish society.

However, in respect of countries that still have restrictions in place and to ensure that the tournament can proceed with as little impact from the ongoing pandemic as possible, a COVID-19 Mitigation Plan has been developed by WWR, Sport Event Denmark, the National Health Authorities in Denmark, the Health Care System of Vejle and Parasport Denmark for athletes, team staff, officials, classifiers, WWR board and committee members as well as event staff.

Members of the media are asked to show consideration towards players and staff, and to follow the general advice from the Danish health authorities to prevent infection and avoid the spread of COVID-19. Hand sanitizer and face masks will be available in the MC and Mixed Zones.
